

## **HEALLEX-PLUS Suspension**

### **Composition:**

Sodium Picosulfate, Liquid Paraffin & Milk of Magnesia Suspension

### **Description:**

Heallex-Plus is a clinically formulated laxative suspension that provides gentle and effective relief from constipation. It works through a triple-action mechanism to soften stools, stimulate bowel movement, and ease bowel evacuation without discomfort.

### **Indications:**

- Constipation
- Hard stools
- Irregular bowel movement

### **Key Benefits:**

- Prompt and predictable relief from constipation
- Gentle on the digestive system
- Sugar-free formulation
- Pleasant mixed fruit & vanilla flavour

### **Dosage:**

As directed by the physician.

### **Storage:**

Store in a cool and dry place. Keep out of reach of children.
