

Myelora-PN Tablets

Composition:

Pregabalin, Nortriptyline & Methylcobalamin Tablets

Description:

Myelora-PN is a combination medicine used for the management of neuropathic pain. It helps relieve nerve pain by modulating nerve signals, improving nerve health, and reducing discomfort associated with nerve damage.

Indications:

- Neuropathic pain
- Diabetic neuropathy
- Peripheral neuropathy
- Nerve-related pain conditions

Benefits:

- Effective relief from nerve pain
- Supports nerve regeneration
- Improves nerve function

Dosage:

As directed by the physician.

Storage:

Store in a cool, dry place away from direct sunlight.
