

Roseal-20 Tablets

Composition: Rosuvastatin Tablets IP 20 mg

Description: Roseal-20 contains Rosuvastatin, a statin medicine that helps reduce bad cholesterol (LDL) and triglycerides while increasing good cholesterol (HDL), thereby lowering the risk of cardiovascular diseases.

Indications: Management of hypercholesterolemia, mixed dyslipidemia, and prevention of cardiovascular events in high-risk patients.

Dosage: To be taken as directed by the physician.

Storage: Store in a cool, dry place away from light and moisture.

Disclaimer: Prescription medicine. Not to be used without medical advice.
