

# Roseal-A 10 Capsules

## Composition

Each gastro-resistant capsule contains Rosuvastatin and Aspirin in a fixed-dose combination.

## Therapeutic Indication

Roseal-A 10 is indicated for the management of dyslipidemia associated with cardiovascular risk. It helps in reducing cholesterol levels and preventing blood clot formation.

## Benefits

- Lowers LDL cholesterol and triglycerides
- Helps prevent heart attack and stroke
- Gastro-resistant formulation reduces gastric irritation
- Suitable for long-term cardiovascular protection

## Dosage & Administration

Dosage should be taken as directed by the physician. Usually administered once daily or as prescribed.

## Precautions

Use with caution in patients with liver disorders, bleeding tendencies, or hypersensitivity to aspirin. Not recommended during pregnancy unless advised by a healthcare professional.

## Storage

Store in a cool, dry place away from direct sunlight. Keep out of reach of children.
